To Be Completed by the Evaluator:

This student is requesting that you write a letter of recommendation on their behalf for admittance into graduate level study at a medical or health-related professional school. Please complete the attached assessment, and then write your candid evaluation of this student **in a separate document, printed on letterhead and signed**. Where possible, cite specific examples of demonstrated academic ability and personal traits (please see the back of this sheet for more specific characteristics that can be addressed). Would this student make both a good professional student and practitioner?

I would recommend this student: _____ with enthusiasm _____ with confidence
_____ with reservation _____ I do not recommend

Your Signature: _____ Date: _____

Your Name: _____ Title: _____

Address: _____

Email Address (if we need to contact you): _____

I give permission for the MCAC to excerpt all or part of my written comments. _____ (initial)

Then send both sides of this form (via mail or email) with your separate **letter of recommendation** to:

Dr. Sudhir Nayak, Chairperson, Medical Careers Advisory Committee

Dept of Biology, The College of New Jersey, PO Box 7718, Ewing, New Jersey 08628-0718

Please be sure to print your letter on appropriate letterhead, and sign it. (If the med school needs a copy of the actual letter of rec, they will not accept one without a signature or letterhead.) If sending via email, **please email the materials** to mcac@tcnj.edu. Do **NOT** send your comments to the student, as they must be deemed confidential. Your letter will most likely be included as written into a packet of support forwarded to the appropriate professional schools. *The attached form will NOT be sent to professional schools.* On behalf of the student and the Medical Careers Advisory Committee, we thank you for taking the time to assist us in this very important process.

Please complete this chart, indicating your assessment of the student's academic abilities and personal characteristics. *(This chart will NOT be forwarded to professional schools)*
